

# RLI Excess Liability Umbrella

RLI's eXS Excess Liability is an umbrella or excess policy that can be written over existing general liability, auto liability and employer's liability policies for small business generating up to \$10 million in receipts. Minimum premiums of either \$750 or \$1,000 per million apply.

**Who Qualifies?** RLI eXS can be written over any state fund for employer's liability or any carrier A.M. Best rated A (financial strength) and V (financial size) or better.

With liability limits ranging from \$1 Million to \$5 Million, RLI eXS Excess Liability provides coverage to over 300 classes of business.
